

From the family of a Resident

We would like to express our heartfelt thanks for all the loving care that has been shown to Mum, through out her time within the Lutheran Homes Community. We would like to thank all the carers at Glynde, kitchen staff, people who ran errands for her; taken her to events and activities, and appointments; visited her and helped her in any way. Also a thank you to staff at: Kafé Schulz, the shop, hairdresser, LLL, podiatry and physiotherapy. We would also like to thank the different Pastors who ministered to Mum and to Pastor for his help at the funeral. Special thanks also to the receptionist for her generous help with printing. Grateful thanks also to St Andrew's congregation; to the organist; and also for car parking assistance and a superb luncheon provided in a short time frame.

Thank you also for the many expressions of sympathy; and stories.

We shall not forget the wonderful blessing of Lutheran Homes in Mum's life.

We wish to thank you and all the staff for the care and attention that you gave Dad whilst he was in your facility. Dad made many very special connections and associations during his time as part of the Lutheran community at Glynde, and our family valued enormously the support advice and services that were available to him.

It is impressive the work you do, and the standards that you constantly strive for. I know that it is hard work and challenging. Thank you so much for all you have done – it won't be forgotten.

The family thank you most sincerely for the very kind and attentive care you gave mum during her long stay at LHI, and especially for the support you gave her, and us, in her final days.

Thank you so much for the care you gave our mother for so many years; and for always making us feel so welcome.
